Lise Autogena

Professor in Cross-Disciplinary Art

Cultural, Communication and Computing Research Institute (C3RI)

Sheffield Hallam University

we couldn't understand why our sheep's livers became black

Yes we are in fact divided

From there, all these colours

We were doing so well up until 2013

Some people say

Funded by

The National Academies of Sciences Keck Futures Initiative
Arts Council England / British Council
Danish Arts Council
Sheffield Hallam University

Specialist support

Henrik Knudsen, Nuclear historian, the Danish National Archives
Danish Decommissioning
Greenland's Institute of Natural Resources
